The fee is non-refundable if the application is processed. No personal checks will be accepted for the application fee. If you are self employed, you must provide two previous years' tax returns (1040 and Schedule C). Please include a copy of your driver's license upon submitting this application.

Applications are processed as quickly as possible. The more complete the application, the faster we can process it. If the property rent before your application is processed, the processing fee will be refunded, or you may transfer your application to another of our available properties.

Our general guidelines to qualify are that you have a legal and verifiable income of approximately three times the monthly rent; you must have reasonably good credit with NO evictions and NO recent bankruptcy. We also verify current and previous rental references.

A one-year lease is required on all properties unless otherwise stated. If pets are allowed, there will be an additional deposit required of at least \$300.00. This amount will be at the discretion of the property manager. The security deposit and the first month's rent must be paid in the form of a cashier's check or money order prior to occupancy.

Please allow at least two business days for the application to be processed. You will receive notification by mail if your application is declined.
